ABOUT OUR COMPANY

Our company has an experience of 35 years in trade and manufacturing of **TOOTHBRUSH, TONGUE CLEANERS, EPABX, INTERCOM & NOW WE HAVE EXPANDED OUR WINGS TO MANUFACTURE ELECTRONIC SMART METERS etc.**

We are one of the biggest manufacturers of toothbrushes and tongue cleaners for kids and adults in India **with in-house installed capacity of moulding, bristling and packaging of 10 million(+) pieces a month under one roof.**

Our plant is well equipped with **fully automated, computerized** machinery for tufting, trimming and packaging. Raw materials are sourced from leading global suppliers, using best quality food grade raw materials.

Our group is manufacturing toothbrush and tongue cleaners for big Multi National Companies in India like **PEPSODENT(HUL), PATANJALI, PIGEON.**

All products pass through strict quality check before leaving the factory, with stringent quality control measures, maintaining traceability at all levels.

Our company maintains a high standard of hygiene. The staff is well equipped with Uniform, mask, cap, safety shoes etc.

Over the years we have cemented our position because our organization believes in business strategy of high customer satisfaction. A **dedicated R&D** team ensures continuous innovation in the products to meet the need of evolving consumers. We are always open to the changing demands of the customers and are **in permanent pursuit of excellence** in the quality of our products.

Our factory has the latest safety devices and is registered with Import Export code, Factory License, Stability Certificate, MSME, P.F. GST registration etc.
